## OUR HISTORY

In 2015, the directors of Windsor & Eton Brewery bought The George to continue making beer Windsor's biggest attraction.

At the corner of the high street facing the bridge with stunning views of the castle, The George was the perfect opportunity. With a new vision and a great passion, they built a new "local" pub for all who walk through the doors.

# Beers with stories to tell

## OUR CORE CASK BEERS

**GUARDSMAN** best bitter is a copper-coloured classic British ale with tangy taste and fresh hop aroma.

**KNIGHT OF THE GARTER** a flaxen-coloured, easy-drinking Golden Ale with distinctive fresh citrus notes brought on by the use of American Amarillo whole leaf hops, giving a strong grapefruit aroma. Zesty sunshine in a glass.

**WINDSOR KNOT** Pale Ale was originally brewed to commemorate the Royal Wedding of 2012. Made with finest natural ingredients including two specially selected hops, Sovereign and Nelson Sauvin, this beer has a balance of mellow fruitiness with hints of the tropics.

**CONQUEROR** a black IPA that is rich, complex, dark and distinctive. Brewed with a careful blend of five specialty malts and Cascade hops, this beer has an intense combination of flavours from resinous pine to smoky, burnt treacle.

**ETON BOATMAN** a fresh clean and full flavoured taste. The combination of American Citra hops with citrus flavours, and Australian Galaxy hops with hints of exotic fruit are perfect for lazy summer days. (4.3% ABV)

## DRAUGHT BEERS

**REPUBLIKA** WeBrew's first lager – an authentic pilsner brewed exclusively with Czech Saaz hops and a yeast sourced from Prague, made with a slow fermentation process followed by 6 weeks lagering. No compromises have been made in producing this award-winning beer.

**CAPITAL** a dry-hopped Helles style lager first created in summer 2018, brewed with Mandarina Bavaria and North American Lemondrop Hops for a well-balanced dry and crisp beer with sharp zesty citrus notes.

**TREASON** was the original brew by Uprising, a bold and punchy West Coast IPA brewed with Simcoe hops for a classically clean yet bitter and hoppy aftertaste, and notes of stone fruit throughout.

**SHOUT** brewed with 6 of the loudest new world hops to give a face-full of zesty, juicy fruit bowl aromas - there's banana, white grape, pineapple & grapefruit over a solid biscuity malt base. Session strength at 4.2% and brewed to be easy drinking with a light body and dry finish.

**STORM** a nitro stout that is smooth, creamy and velvety beer with notes of cold brew coffee and bitter dark chocolate. To best enjoy Storm, you'll need a substantial first gulp and aim to hit the 'Eye of the Storm'.

**CAUGHT BY THE FUZZ** This peachy pale ale was the brainchild of one of our brewers for his wedding. However, its fuzzy golden haze and spritzzy condition made it too good not to add to our range. Huge peach, citrus and soft fruit flavours are well balanced by spicy notes from the Bravo and Chinook hops to give a bitter, session finish.

**SOFT DRINKS**

AT THE GEORGE INN, WE UNDERSTAND THAT NOT EVERYONE WANTS AN ALCOHOLIC DRINK, WHICH IS WHY WE HAVE AN EXCEPTIONAL SELECTION OF REFRESHING SOFT DRINKS THAT ARE SURE TO QUENCH YOUR THIRST. FROM CLASSIC COLA AND LEMONADE TO A RANGE OF FRUITY MOCKTAILS, WE HAVE SOMETHING FOR EVERYONE.
